Mrs. Henrietta Meyers and was told that she was unable to see her friend who was to try to find out where Mr. Battle is.

Operative then went to the home of Mike Lapolosa at 206 Talmage St. and there interviewed Mrs. Lapolosa who stated that her husband never had a house at the end of Remson Ave. She told me that Joe Lapolosa is the man whom I should see and then telephoned to this man. I spoke to him on the telephone and he stated that the only people he had in the house on Remson Ave. was an old couple by the name of Wright, but they never moved away. I then left Mrs. Lapolosa's home and discontinued for the night.

Respectfully submitted:
